Methodists for World Mission (MWM) invites illustrated stories - as a magazine page or slide presentation - connecting a Methodist church in Britain with an overseas project linked to a partner church. The best will be published to encourage others, through MWM and the national World Church Relationships Team.

Entries will be judged on partnership, story telling and photography. Winners will receive a grant of up to £500 from MWM, shared between the overseas partner and the local church.

Terms and conditions, judging criteria, and how to enter are on www.mwm.org.uk. Please read these first to check your project is eligible. Queries to mwmphotostory@googlemail.com
